

Ten years with Better World Books

Here's how the Eastern and Metropolitan campus libraries have helped the planet over the last decade.

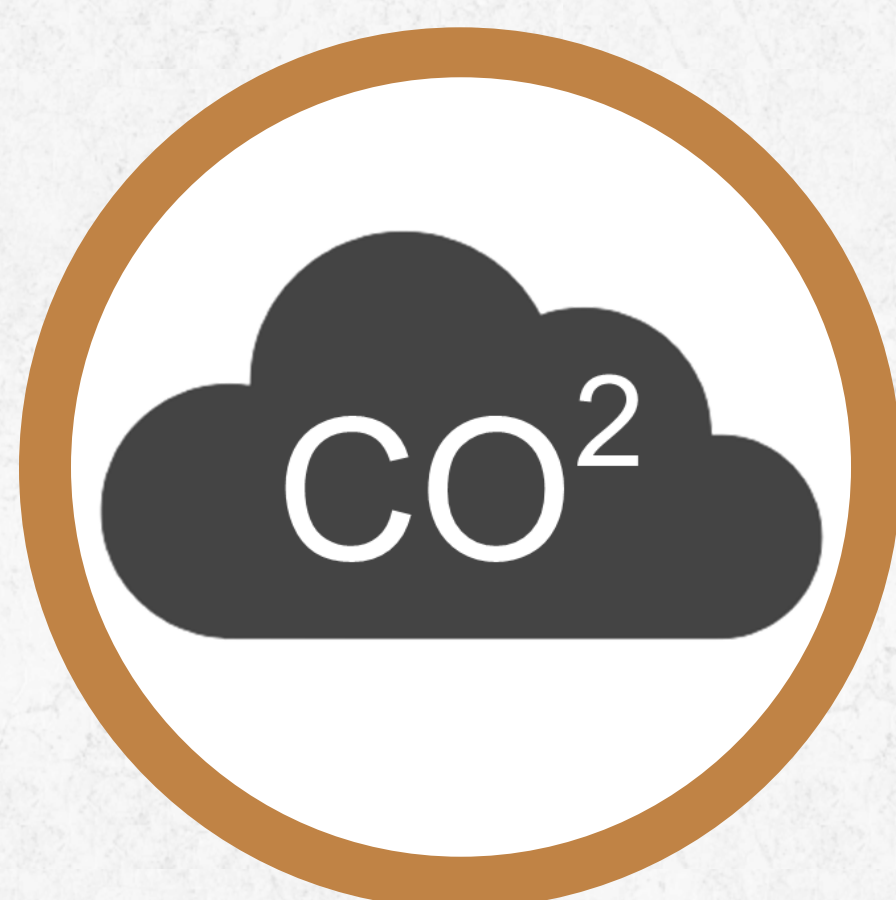

15,876 pounds of books
have been reused or
recycled

X10
Over 700
boxes of
books!

Recycling our discarded
books has saved 253
mature trees

Recycling our discarded
books has prevented the
creation of 33,713 lbs of
greenhouse gases

Recycling our discarded
books has saved over
129,421 gallons of water

Recycling our discarded
books has saved 32
cubic feet of landfill
space

The resale of our
discarded books has put
\$2,707 back into Tri-C

Recycling our discarded
books has saved 52,081
kilowatts of electricity
