Established in 2017, the LGBTQ+ Scholarship was created by the Cuyahoga Community College Foundation and the College's Sexual Orientation and Gender Equality (SOGE) Council. The scholarship provides financial support to students who identify as lesbian, gay, bisexual, transgender and/or queer (LGTBQ+) and LGBTQ+ allies. Students must have at least a 2.5 GPA on a 4.0 or higher scale and demonstrate excellence in academics, leadership and service on or off campus.
