You recently completed your 2023-2024 Free Application for Federal Student Aid (FAFSA) without providing parental data. Additionally, you answered "no" to all questions regarding dependency, so you cannot be considered an independent student. Currently, your FAFSA is not complete because it lacks parental data.

If you feel you should be considered an independent student because you have an unusual circumstance that prevents you from providing your parental information on your FAFSA, please contact The Student Financial Aid and Scholarships office regarding the possibility of completing an override to your dependency status.

If you do not submit parent information on the FAFSA, your only option for financial aid will be limited to a Direct Unsubsidized Loan. This loan accrues interest while you are in school and is limited to the annual grade level limit for dependent students.

Dependent Students Maximum Annual Direct Loan Limit			
Grade Level	Amount		
0-29 Credits Earned	\$5,500		
30+ Credits Earned	\$6,500		

Student Certification

I will not complete my FAFSA with parent information. I certify that my parent(s) has ended financial support or refuses to complete the FAFSA. I wish for Cuyahoga Community College to award me a Federal Unsubsidized Loan for the maximum amount. My signature below is considered acceptance of this loan as well, and I understand that this is the only type of financial aid available to me.
