Please note: The dependency status is determined by responses provided on the Free Application for Federal Student Aid (FAFSA). This chart as noted above is an average of what school could cost. The established Cost of Attendance (COA) does not directly reflect what you will pay. Your actual COA may differ from the figures as shown due to variables such as supplemental program fees, supplies and other related expenses.

*Tuition is based on an average enrollment of 12 semester hours plus an estimated \$70 per semester in supplemental or lab fee expense(s) for summer, fall and spring terms.

Additional Information:

The student is responsible for the purchasing and maintenance of the tools needed on the job and during training as outlined in their union contract
