This chart as noted above is an average of what school could cost. The established Cost of Attendance (COA) does not directly reflect what you will pay. Your actual COA may differ from the figures as shown due to variables such as supplemental program fees, supplies and other related expenses.

\*Tuition is based on an average enrollment of 12 semester hours plus an estimated \$70 per semester in supplemental or lab fee expense(s) for summer, fall and spring terms.

Additional Information: Medical Insurance is required. Miscellaneous expenses includes stethoscope, scissors, hemostat, health examination, immunizations, & variable drug screening cost per various clinical sites.
