Once the University Admissions process has been started you can apply to the School of Nursing:

A: First payment will be received after the following criteria have been met:

- The required applications have been received
 - Eligibility requirements met
 - Admission to CSU and the School of Nursing completed
 - Enrollment for the semester has been verified
-
- Once the above have been met, Cuyahoga Community College will send an award of \$1000 to CSU for disbursement into students' CSU account.
 - Payment will occur no earlier than the first semester of enrollment, **approximately 8 weeks** into the semester.
 - Please note, you must be enrolled in a minimum of six (6) credit hours of nursing courses to be eligible for the first payment.

Q: When can I expect the last payment?

A: When you have met all BSN degree requirements, the final payment will occur during the last semester of enrollment, but prior to graduation. This will occur approximately three (3) weeks after the final semester drop date at CSU and verification of student status in the program (including the application for graduation on file).
