NOTE ON ACCOUNTANCY: IN ORDER TO APPLY FOR CPA LICENSURE, STUDENTS MUST COMPLETE A SUBSTANTIAL NUMBER OF CREDITS IN ADDITION TO THOSE NEEDED TO EARN THE BACHELOR'S DEGREE

This Transfer Pathway completes the Associate of Arts degree, which must total at least 60 semester credits and includes 36 Ohio Transfer 36 (OT36, formerly OTM) credits which are approved Tri-C general education requirements. OT36 details can be found at https://www.ohiohighered.org/Ohio-Transfer-36.

#A student could replace these two courses by cross registering at JCU and taking EC 2210 (4 credits).
The OT36 Arts & Humanities requirement necessitates that students take coursework from two different subjects for the two requirements within this category.
**These courses are a part of the reduced core curriculum for transfer students with more than 45 earned credit hours. For specific details, please see http://sites.jcu.edu/core/pages/additional-integrative-core-policies/.*
*** It is recommended that this course equivalency be taken at JCU through cross registration if possible.

Additional Information:
Assumptions: college-level readiness in MATH and ENG; no Foreign Language Deficiency (FLD). NOTE-this is different from the Foreign Language Requirement (FLR) which is a requirement in the College of Liberal Arts and Social Sciences at John Carroll University (JCU).

JCU proudly participates in reverse transfer with Cuyahoga Community College (Tri-C) and hopes to make this transfer process as smooth as possible; learn more about the reverse transfer process at https://www.tri-c.edu/transfer/transfer-resources/reverse-transfer.html. Cross registration information can be obtained from the Registrar's Office at Tri-C. For more information, contact your campus Counseling Center or the JCU Admission Office at 216.397.4294.

John Carroll University requires a minimum of 120 total credit hours for graduation. At least 60 credits must be completed in-residence at John Carroll University. All general requirements, Core requirements, and all requirements for the major must be completed along with a quality-point average of at least a 2.0 for graduation. Students deficient in total credits or in-residence credits or in quality-point average requirements must take additional elective credits to meet the minimum requirements. Depending upon other elective choices made, students may not need as many general electives as indicated above, or may need additional electives.
